Changes to Service 22 from Sunday 25 October 2015

Working in partnership with Cobalt, Service 22 is extended from Wallsend High Street to additionally serve Rosehill, Howdon, Silverlink and Cobalt Business Park. This extended route also provides handy new links to Tyne Met College (at Willington Square). As a result of this new route, buses will no longer stop at Wallsend Metro. However, alternative bus stops are nearby on the High Street.

Service 22 will continue to run up to **every 10 mins** during Monday to Saturday daytimes, with evening and Sunday buses running as far as Silverlink every **20 mins**. To help with shift finishing times, there are also Monday to Friday trips from Cobalt at 2120 and 2219.

To help speed customers between Newcastle City Centre and Cobalt during Monday to Friday peak times, a commuter express **22X** will provide some additional limited-stop journeys. The Service 22X will run 3 times a day from Central Station, Grainger Street and Market Street, then direct to Cobalt Business Park (only stopping at Willington Square on the way).

Although basic frequencies remain unchanged, most trips are slightly retimed. For full details, please see timetable.
